PORTAGE COUNTY DOES
WELL IN BIG CONTESTSBoys and Girls Who Represented Junior Club at State Fair Return
With Honors

The Portage County Junior club members who attended the state fair at Milwaukee last week, came home with honors and memories of a profitable, enjoyable trip.

The canning department was represented at the big exposition by a demonstration team of three girls and an exhibit of canned fruit and vegetables. The girls making up the demonstration team were Miss Adeline Peterson of Nelsonville, Miss Selma Loberg of Stockton. The team demonstrated the cold pack method of preserving fruit and vegetables, putting up peaches, tomatoes and beans. The girls had a large number of spectators and were kept busy answering questions and distributing literature on the cold pack method.

The live stock department was represented by six exhibitors and their calves, two Holsteins and four Guernsey heifers. There were about sixty calves in the state contest, so that there was plenty of sharp competition. The Portage county boys had their calves in excellent show conditions during the entire fair; when the animals were led into the show ring they were especially well groomed and attracted considerable notice.

The two Portage county Holsteins were promptly sent to the head of the class when the judging began. The blue ribbon was awarded to Edward Dobie of Rosholt and the red ribbon to Carl Swenson of Amherst. In the Guernsey class eighteen calves were entered and the competition was close. First and second prizes were taken by Waukesha boys, third by Virgil O'Brien of Linwood. Each club then lined up their calves for the grand championship calf contest. As the judges proceeded the contest was finally narrowed down to two calves, a Waukesha county Guernsey and the Holstein owned by Edward Dobie of Portage county. The two animals were so evenly matched that it was difficult to decide between them, but the championship was finally awarded to the Guernsey.

Next the calf clubs were lined up for the grand champion prize. This was won by the Portage county club, which received as a reward a Sharpless cream separator, valued at \$92. This will be sold and the proceeds placed in the club fund.

Owing to the muddy condition of the race course the Portage county club could not put on the potato race in the parade, but the club was awarded first prize of \$15 for attendance, based upon numbers present and distance traveled.

The boys and girls stayed in a camp furnished for them by the Y. W. C. A. and Y. M. C. A. at the reasonable figure of \$3 for the week. In the camp the dining room was cared for entirely by the boys and girls themselves, and honor banners were given for the best tables at each meal, markings being on neatness and cleanliness. The Portage county club won this banner once. Songs were sung and yells given in the dining room at every meal and it was certainly a jolly, lively bunch of fifteen boys and girls that represented Portage county at the big exposition.

TEACHING IN WASHINGTON

Van S. Ashmun, son of Mr. and Mrs. C. S. Ashmun, 112 Prentice street, and who was graduated from the Stevens Point Normal in June, left recently for Kennewick, Wash., where he has taken a position as manual training teacher in the High school. He starts at a salary of \$1,000 a year. Mr. Ashmun has a sister living in Kennewick.

MRS. ELIZABETH NORTON

Widow of Mexican War Veteran, Old Resident of City, Dies at Youngstown, Ohio

Mrs. Elizabeth Norton, widow of William H. Norton and an old resident of Stevens Point, died Sunday morning at the home of her daughter, Mrs. Fred Reichart, at Youngstown, Ohio, where she had made her home since June, 1916. Her death was the result of old age.

The body was brought to Stevens Point this morning, accompanied by her son, Thomas Norton, who had been with her at Youngstown. The funeral was held this afternoon, services being conducted at 2 o'clock at the residence of Mrs. Norton's grandson, Clarence N. Kellar, 527 Main street, by Rev. James Blake of the Baptist church. Interment followed in Forest cemetery.

Mrs. Norton's maiden name was Elizabeth Stout and she was born at Leesburg, Ky., in December, 1832. When she was nineteen she was married to William H. Norton, at Aberdeen, Ohio. The family moved to Stevens Point in 1888 and Mrs. Norton continued to live here until a year ago last June. Mr. Norton, who was a veteran of the Mexican war, died in this city Oct. 28, 1914.

Five children survive Mrs. Norton: Mrs. P. J. Kellar, Superior; Mrs. Alice Campbell, Wheeling, W. Va.; Mrs. Fred Reichart, Youngstown, Ohio; Ed. S. Norton, St. Paul, and Thomas Norton, city.

Mrs. Kellar and Ed. S. Norton came here for the funeral.

SOLDIERS TO PASS THROUGH

A special train carrying 105 soldiers, members of a coast artillery unit, will pass through Stevens Point at about 5 o'clock Thursday morning over the Soo line. The men are from Fort Snelling, Minn., and are being transferred to Fortress Monroe, Va. The special will leave Minneapolis at 10 o'clock tonight. It will consist of five sleepers, a diner and a baggage car.

BABY GETTING BETTER

Willis J. Boston was at Milwaukee on Tuesday, Wednesday and Thursday of last week, when he attended a series of lectures on embalming, given by Prof. Ekels of Philadelphia. Prof. Ekels is an authority on the subject he discussed and the originator of the Purple Cross movement as a result of which it is probable that the bodies of Americans killed on European battlefields will be sent back to this country for burial. Mr. Boston was joined at Milwaukee on Thursday by his wife, who has been in Chicago for three weeks with their little son, Ripley, who is a patient at Michael Reese hospital for children in that city. The little one is improving nicely and he and his mother are expected home in about two weeks.

SAYS PROBLEM SOLVED

Supt. Trautmann of Water Company Says Satisfactory Water Supply Has Been Found.

Here's some real news for Stevens Point people:

The explorations for a new water supply that have been conducted by the Stevens Point Water Co. on Second Island for upwards of a year have reached a stage that justifies a statement by Supt. E. P. Trautmann that the water problem has been solved. Samples of water from the experimental well on the island were sent to the state hygienic laboratory at Madison a week ago and the report that came back was to the effect that the quality is excellent.

Mr. Trautmann, who has been in charge of the experimental work ever since the island was purchased by his company, told The Gazette today that the next step will be the construction of a suction line, 10 inches in diameter, from the island to the pumping station. This has been fully determined upon by the company, he said, and work will be commenced as soon as practicable. The high cost of materials is a handicap at present, but he spoke as if there would be little delay in connecting up.

The water, he said, is clear and odorless and every bit as soft as that which is now being furnished by the company. The supply is as large as the Wisconsin river, he declared, but it will be purified by the natural filtering process the island affords. Four samples of the water, taken at different stages, were sent to Madison.

The company has been centering its experiments on one well, which was dug last year. From the first Mr. Trautmann has been of the belief that the experiments would be successful, the only delay in justifying his belief being due to the necessity of long-continued pumping to remove the vegetable matter from the well.

When the new supply is developed, it is probable, Mr. Trautmann said, that a connected system of 30 or 40 wells, six inches in diameter, will be dug. It is possible, however, that a drain tile system may be installed, on the order of that owned by the Whiting-Plover Paper Co.

WITH ILLINOIS ENGINEERS

Mr. and Mrs. Chas. H. McCann are in receipt of a handsome photograph of Co. D, 1st regiment of Illinois engineers, and included in the group of 146 men is their second son, Roy, who enlisted at Chicago a couple of months ago. The company is now stationed at Houston, Texas, leaving for that place on Tuesday of last week and arriving there a couple of days later. They passed through seven states en route and made stops of an hour or more at Kansas City and other large places. Roy is well satisfied with army life thus far and likes his new quarters in the Lone Star state.

Roy's company is now the 108th U. S. engineers.

NOT AN ANIMAL STORY

Foufure sold to Behr, Behr sold to Fox and the sheriff re-conveyed to Behr. This isn't an animal story but refers to a 20-acre tract of land located about a mile east of the Wolf Lake place in Eau Claire township. The closing chapter took place last Thursday morning, when the property was disposed of at sheriff's sale and bid in by the plaintiff, Samuel Behr, whose home is now at Durand.

The Foufure homestead was for many years owned by various members of that family and then transferred to Mr. Behr. The latter lived on the place a few years when he found a purchaser in the person of Jas. B. Fox, then a resident of Pepin county, who made a substantial payment and gave a mortgage for the balance. Mr. Fox worked the property for some time with indifferent success and then returned to his former location near Durand. The mortgage was foreclosed, and as noted above, Sheriff Kubiak officiated at last Thursday's proceedings.

WHITESIDE AT HEAD A WONDERFUL PLACE

Portage County Assemblyman Chosen Chairman of New Wisconsin Organization

A better state through better laws is the avowed purpose of an organization of legislators held together by kindred views which met at Milwaukee last Wednesday evening. Dr. George D. Whiteside of Plover, assemblyman from Portage county and chairman of the organization when it was temporarily organized at Madison at the close of the legislative session, was chosen to head the permanent organization.

"Irrespective of the war, there is a sentiment in Wisconsin in favor of better laws," Dr. Whiteside said to a representative of The Gazette Monday. "Our organization is not for the purpose of dealing with the war question, directly, but, by working for better legislation, to make of Wisconsin a more useful state to the nation. To that end we shall have an organizer in the field soon to devote his time to the work of lining up the people in the movement. We shall place men and principles above party, to the end that the men in the legislature may be truly representatives of the people."

The Milwaukee Journal, characterizing Dr. Whiteside as one of the progressive leaders of the state, quoted him as not being in sympathy with Senator LaFollette's attitude on the war. This is significant owing to the fact that in the past Dr. Whiteside has been a strong supporter of the senior senator.

The Milwaukee meeting was attended by about thirty legislators, including Progressives, Republicans and Democrats. They intend to carry their fight into every county in the state. Disruption of parties is not a part of their program.

NASH IS REAPPOINTED

Grand Rapids Leader: Postmaster Robert Nash has received notice from the postal department that his reappointment as postmaster at Grand Rapids has been confirmed by the senate. The appointment is for four years beginning Sept. 8.

VISITOR FROM NORWAY

Mr. and Mrs. George B. Nelson had as their guests last Friday his parents, Hon. and Mrs. J. J. Nelson of Amherst, and Miss Margit Knudsen of Borgestad, Norway. Miss Knudsen is the daughter of Gunnar Knudsen, for nine years prime minister of Norway and one of the political leaders of that country. She came to this country the latter part of July and will not depart for her native land until October. Mr. and Mrs. J. J. Nelson became acquainted with the Knudsen family while they were touring in Norway. Before coming here Miss Knudsen visited at the Nelson home in Amherst and she left Saturday for Madison, where she is being entertained by Mrs. Schiedeman, wife of the American ambassador to Norway. Miss Knudsen has a brother, Rolf, attending the Boston School of Technology at Boston.

The latter organization also adopted a constitution and by-laws last evening.

RESTAURANT IS SOLD

New Firm Takes Over the Arcade and Grand Opening Was Held Last Sunday

The Arcade Restaurant, 405-7 Main St., has changed hands, Louis G. Rouskey, who established it last February, having disposed of the business and equipment to Nick Petropoulos and Ashland and John Pappas of Waukegan, Ill.

The new owners will continue the eating house under the firm name of Petropoulos & Pappas. They have already made many improvements in the interior, including an enlargement of the kitchen, and held a grand opening Sunday, when flowers were presented to the many patrons who enjoyed a special chicken dinner.

Messrs. Petropoulos and Pappas have both had years of experience in the restaurant business and intend to give Stevens Point people the best there is in food and service.

Mr. Rouskey retains the Arcade billiard hall. His decision to dispose of the restaurant, in which he was highly successful, was prompted by a desire to relieve himself of some of his business responsibilities as his health has not been of the best for several months.

A WONDERFUL PLACE

So Says Frank B. Shemanski of Newport Training Station—Abrahamson There Too

"This place is surely wonderful in many ways," said Frank B. Shemanski, who recently entered the United States naval training station at Newport, R. I., as landsman for yeoman, in a letter to a Stevens Point friend. "At present I am in detention, where all new recruits are kept for approximately a month," he continued. "While in detention we are obliged to do all kinds of detail work. After the detention period expires, we are detailed to the yeoman school, where we undergo a regular routine of study, which will last about four or five months."

"While in detention we have very few liberties. After we get out of it we get shore leave three times a week and we can then go to the city of Newport or do anything else we like. We are located on an island which is two miles from town, so we leave this place as though we were on board a boat. There are approximately 15,000 sailors located here and when you see them all together they present quite a sight. This (Sunday) morning we all marched over to church, the Protestants and the Catholics in two separate groups. The services were surely wonderful and very impressive. Just imagine 15,000 men in white uniforms attending divine worship. After the services we all sang the 'Star Spangled Banner.' I'll bet you could hear us for a mile."

"Jerome Abrahamson landed here yesterday and as there was a vacancy in our tent we had him turn in with us. Two young attorneys, a preacher, a pugilist and Abe and myself stay at one of the many tents. I should imagine that approximately 10,000 of the fellows here are housed in tents—just like camping out. They have numerous buildings here, but quarters aren't sufficient to take care of all the men."

"This whole aggregation is fed in less than an hour. The food is good and we can have as much as we like. We are fed scientifically and never have the same food at any two of our meals. We get about six hours of drilling a day."

FRATERNAL CONVENTION

German Central Verbund to Hold District Meeting in This City October 14th

The Ninth District German Central Verbund, composed of Catholic fraternal societies throughout central Wisconsin, will hold its semi-annual gathering in this city on Sunday afternoon and evening, Oct. 14th. Sessions will be held in the basement hall of St. Joseph's church and among the prominent speakers who will deliver addresses are Henry A. Schmitz of Appleton, Anton Kleinheinz of Marshfield and Father Kaster of New London.

St. Ann's society of St. Joseph's congregation will serve supper at 6 o'clock.

Large delegations are expected from Marshfield, Medford and various places in Wood, Clark, Marathon, Taylor and other counties.

NORMAL IS REOPENED

Big State School Begins Twenty-fourth Year Monday—Enrollment Is Satisfactory

The Stevens Point Normal opened for its twenty-fourth annual session on Monday and today classes began on the schedule that will prevail throughout the whole first semester. The attendance at 2:15 o'clock this afternoon was 427, which is considerably less than the attendance at the corresponding period a year ago.

Monday and Tuesday were registration days and all incoming trains brought in students, who were met at the stations by members of the faculties and others from the school. John J. Feit had his "big jitney" in service between the Soo station and the school for the accommodation of the students.

The falling off in attendance is not to be wondered at, owing to the unsettled conditions, as is indicated by the fact that of eighty preliminary enrollments, but 27 have actually appeared at the school. It is predicted that the total attendance for the year will be nearly as large as last year.

Nick in Hall, the new dormitory, is now in final finishing touches. The building is practically completed and the appearance of the grounds has been improved by leveling of the loose dirt. Soil will soon be placed on the sloping edges along the walks and later a six-inch layer of rich soil will be spread.

Miss May Rowe is matron of the dormitory and Miss Bertha Hussey is preceptress and dean of women. The serving of meals in the spacious dining room in the basement began Monday evening.

The French course at the Normal, which is a new feature this year, is evidently popular as Miss Nannie R. Gray, who is in charge, already has a class of 20 enrolled.

The faculty reception for the students will take place in the gymnasium Friday evening at 8 o'clock.

AGENCY IS TRANSFERRED

The agency for the Valvoline Oil Co., which had been held by D. D. Burtis since last February, has been transferred to Mrs. H. E. Cartmill, 1327 Clark street, whose husband formerly had charge of the business. Mr. Burtis is one of the Portage county men going to Camp Grant this week. Although married he claimed no exemption, saying a married man should be just as willing to fight for his home as a single man.

NOW LIGHT ARTILLERY

Stevens Point Cavalry Troop Transferred to New Service Says Texas Dispatch

The First Wisconsin Cavalry Regiment, which includes Troop I of Stevens Point, has been transferred to the light artillery, according to reports published in Milwaukee papers under a Sheboygan date line.

"The First Wisconsin Cavalry, of which Carl Penner, Milwaukee, is colonel, has been transferred to the light artillery, according to a private dispatch received from Waco, Texas," the newspaper announcements state. "The order was issued Sunday, but no definite plans were announced, according to the dispatch."

The change had been predicted for several weeks and will consequently cause little surprise here. However, it is understood the boys of Troop I were anxious to remain in the cavalry and were waiting expectantly for their horses. It is presumed that the order means that the entire regiment will be given intensive artillery training in Texas preparatory to being sent to Europe.

Troop I, with the other cavalry units, left Camp Douglas last Tuesday and reached Waco Friday. The trip was made without mishap and the boys are rapidly adjusting themselves to the changed conditions.

HER SUFFERINGS OVER

Mrs. Wm. H. Brewin, Wife of Drainage District Ranchman, Dies at Home Near Coddington

An illness of four months with cancer of the liver, during nearly all of which time she was confined to her bed, ended fatally for Mrs. Wm. H. Brewin at 4:30 o'clock this morning. The Brewin family came here from Canton, Ill., in 1912 and located in the Portage county drainage district near Coddington station. The now deceased lady was highly regarded in the neighborhood and her untimely death has cast a gloom over the community.

Elizabeth Gribling was born in Ohio 46 years ago, on Feb. 18, 1871, and came to Illinois when nine years of age, where she grew to young womanhood and was married there 26 years ago last January.

Mr. and Mrs. Brewin are the parents of four children, Charles and Mrs. Lawrence Colthurst, who are at home; Mrs. Mary Millison of Farmington, Ill., and Mrs. W. E. Holland of Buena Vista. There are also three grandchildren. Four brothers and five sisters of Mrs. Brewin live in Washington, Oregon and California.

Funeral services will be conducted by Rev. G. A. Tennant of the Buena Vista M. E. church at 2 o'clock Friday afternoon, with interment in Plover cemetery.

The sympathy of many friends is extended to the bereaved ones in their affliction.

LOCAL NOTES

Mrs. R. B. Salter of Colby is visiting a few days at the home of her sister, Mrs. John F. Sims on Main street.

Mrs. E. M. Copps and Miss Leila Chandler have issued invitations for next Saturday afternoon, Sept. 22, when they will be "at home" from 3 to 5 o'clock at 825 Clark street.

Judge A. H. Reid of Wausau arrived in the city this morning and is conducting a hearing in circuit court in the application for divorce filed by Lulu Van Buskirk vs. George W. Van Burkirk.

Miss Katherine Urbanowski, who has been employed in Chicago, arrived in the city Tuesday evening and is visiting at the home of her parents, Mr. and Mrs. Michael Urbanowski, 722 Union street.

In compliment to the beautiful theatre of which Russell Gregory is manager, the name of Columbia orchestra has been changed to Strand orchestra. Irwin Lutz is leader of this popular musical organization.

Mrs. F. C. Holman returned recently from a week's visit with her daughter, Mrs. Alfred Larson and Miss Leila Lee at Kewaskaw. Her son, Walter Holman, has also been in Kewaskaw for the past couple of weeks, where he is employed in the brass works.

Mrs. C. F. Smith of Duluth will arrive in the city tonight for a few days' visit at the home of her parents, Mr. and Mrs. M. T. Olin. Mr. Smith, who is spending a few days in Chicago on business, will arrive here to spend Sunday and will then accompany his wife home.

Clarence Larson, bookkeeper at the Gross & Jacobs Co. hardware store, is finishing his work at the store preparatory to leaving for Camp Grant, Rockford, Ill., with the second division of Portage county selected men. Mr. Larson will be succeeded at the store by Adolph Beranek, who began work Monday.

NATIONAL ARMY DAY
SET FOR TOMORROW

Stevens Point to Pay Honor to Over Three Hundred Citizens-Soldiers Thursday

Tomorrow is to be "National Army Day" in Stevens Point, and only the weather man can prevent it being the biggest patriotic celebration in the city's history.

With Stevens Point the mecca for 336 men chosen under the selective draft for army service, nothing is to be left undone to show the citizen-soldiers that the folks at home are behind them.

Portage county's 72 men, constituting 40% of the full quota, will report for roll call at the court house at noon, where they will be presented with National Army badges. At 12:15 they will assemble at the library club rooms, where the Rotary club will entertain them at a dinner, to be served by a group of ladies of St. Stephen's church. A short program will follow the dinner, following which the honor men will have the afternoon to spend as they like.

The Waupaca county delegation consisting of 46 men will arrive in the city over the Soo line at 5:24 and will be met at the station by a band of 75 pieces, consisting of Weber's band of this city, the Bancroft band and the Amherst band. These three bands have been directed by Ernest Weber of this city, who will combine them into one organization for the day.

The Waupaca boys, with the band, will march from the train to the Parish House, where, with the Waupaca and Portage county boys as honored guests, a banquet will take place. This feature is in charge of a citizens' committee, headed by T. H. Hanna, which has gathered funds and attended to other details of arrangements.

Following the banquet the following program will be carried out at the court house square, or, in case of bad weather, at the armory: Address of Welcome, Pres. John F. Sims.

Invocation, Rev. S. A. Elbert. Community Singing, America. Address, Rev. John Kendall, chaplain U. S. Army.

Octette, Home Guards. Address, E. E. Ingle, Almond. Music by Band.

Community Singing, Suwanee River. Address, Supt. E. H. Miles, Waupaca.

Music by Band. Community Singing, The Star Spangled Banner.

The band will accompany the community singing, which will be led by Normal school students, who have been rehearsing for the occasion. The audience is expected to take part in the singing and it is suggested that all become familiar with the words of the songs. The addresses, three in number, will be limited to ten minutes each.

Following the program a dance will be held at the armory, to which the honor men and ladies will be admitted free. Tickets for others are being sold at 50 cents each.

Owing to a change in plans, at the instance of the Marathon county board of exemption, the second division of Marathon county will send its men to Wausau instead of Stevens Point. However, a change that will make the celebration more notable is that which will bring the Polk and Barron county delegations, numbering 154 men, into the city on Soo line train No. 18 instead of No. 4. They will arrive at 12:45 a. m. Friday, or one hour and twenty minutes earlier than first scheduled. The local board applied for the change and arrangements were accordingly made by the Soo line officials.

Following is the list of county delegations that will arrive at 12:45: Rusk, 1; Douglas, 23; Polk, 82; Barron, 72; Taylor, 40. Counting these there will consequently be 336 honor men in Stevens Point from 12:45 until 2:30, when the special train carrying them to Camp Grant at Rockford starts down the Portage branch of the Soo.

The midnight arrivals will be escorted to the business district and a lunch will be served to all the men before they depart. It is expected that there will be a big crowd at the station when the train pulls out. The Waupaca county delegation will be accompanied by a delegation of citizens and it is likely that there will be visitors from some of the other counties in addition to the selected men.

Arrangements are being made to the Wagon Hotel building on the South Side, now owned by the city, as a rest and recreation place for the citizen-soldiers. The day's program, under the supervision of W. A. Smith, will be in charge and the building will be open throughout the afternoon and evening. Parcels will be checked and comforts provided for the men.

A PATRIOTIC MEETING

A patriotic meeting was held at the High school last Monday afternoon at 1:30 p. m., the occasion being the 130th anniversary of the signing of the constitution and several of the students gave talks on different phases of the constitution. Principal T. S. Murrish had charge of the assembly, which was the first general assembly held this year, and the speakers were Robert Normington, Leonard Nohr, Loretta Pagel, Maurita Spaulding and Supt. H. C. Snyder.

PICK MORE MATERIAL FOR NATIONAL ARMY

Seventy-two Portage County Young Men Ordered To Report On September 20

Seventy-two more Portage county men who are to be enrolled in America's mighty army of democracy were selected by the county board of exemption last Friday afternoon. The number constitutes 40% of the county's full quota of 179 and those chosen are ordered to report for roll call at the court house in Stevens Point at 12 o'clock noon on Thursday, September 20. They, with drafted men from several other counties, will leave Stevens Point at 2:30 a. m. on Friday, September 21.

In selecting the 72 men the board of exemption went through the names of those who had been certified back by the district board. Acting on the instructions of the war department, the board excused for later call, wherever possible, those whose labors are needed in the agricultural industry of the county. As a result it was necessary to take practically every resident of the city of Stevens Point who had been certified back.

In the list of those chosen are three young men who were recently married: Joseph A. Brill, Earl Precourt and Emery W. Sivley, all of Stevens Point.

The list, including 12 alternates, is as follows:

- Harold E. Cle, Stevens Point.
- Anton Suchowski, Stevens Point.
- John Wyrowski, Stevens Point, R. 2.
- John L. Smith, Junction City, R. 1.
- Engwald Mortenson, Amherst, R. 2.
- Albert Kaminski, Junction City, R. 2.
- Paul J. Kreuger, Plainfield, R. 3.
- Mark Meddaugh, Bancroft.
- Adolph L. Larson, Junction City, R. 1.

- Joseph Zmuda, Arnott.
- Mike Rompalski, Polonia, R. 1.
- McGinty Meddaugh, Plainfield.
- Mike Feltzowski, Stevens Point, R. 7.
- Herman F. Krohn, Almond.
- Fred H. Nohr, Waupaca, R. 2.
- Albert Nitka, Custer, R. 1.
- John M. Koltz, Stevens Point, R. 1.
- Clarence H. Fors, Stevens Point, R. 1.

- John Shannock, Junction City.
- Felix Ebel, Custer, R. 1.
- Frank L. Jurewicz, Almond.
- Selmer Stenson, Rosholt.
- Stephen Dacyk, Polonia, R. 1.
- Walter S. Landusky, Stevens Point.
- Frank X. Shudarek, Stevens Point, R. 7.
- Julius F. Wachowiak, Stevens Point, R. 2.
- Ben Fliss, Stevens Point.
- John J. Weber, Coddington.
- Frank W. Benaszewski, Plover, R. 2.
- Anastazy Blaskoske, Stevens Point, R. 7.

- August J. Lietz, Dancy, R. 1.
- Thomas Pliska, Stevens Point, R. 3.
- Walter F. Wade, Stevens Point.
- Douglas R. Engelbretson, Dancy, R. 1.
- John Bella, Stevens Point, R. 7.

SAILOR BOY IS HOME
Harold Bergholte, third class radio operator on the U. S. S. Wyoming, one of the ships of the second division of the Atlantic fleet, arrived in Stevens Point last Thursday for a ten days' visit at the home of his parents, Mr. and Mrs. Alex Bergholte. Harold, as has been previously mentioned on The Gazette, was taken ill with appendicitis early in August and was taken to the navy hospital at Brooklyn, where he underwent an operation. The operation was a complete success and he is steadily recovering his strength. The young man is so well pleased with life in the navy that he is already planning on re-enlisting at the end of his first four years. George Holman, another Stevens Point boy, is also on the Wyoming, which has done some cruising along the coast since they went on board. At one time the ship was near Cuba, but turned around to replenish its food supply. Rear Admiral Albert W. Grant, another Stevens Point, is in command of division No. 1 of the Atlantic fleet.

GLIMPSES INTO PAST MORE SPRING WATER

Happenings Mentioned in The Gazette Twenty-five and Ten Years Ago This Week.

Twenty Five Years Ago Sept. 21, 1892

A nine and one-half pound boy was born to Mr. and Mrs. G. W. Mulligan, last Monday.

Ewart Gladstone, the 2 year old son of Mr. and Mrs. John Cormack of this city, died last Sunday afternoon.

When in the city last Saturday, Richard Gross of Stockton, sold four hogs that weighed 1,820 pounds, or an average of 455 pounds each.

Mrs. Anna Ringrose, daughter of Mrs. Mary Gavin, and sister of Conductor Will Gavin, of this city, died at St. Paul last Friday, aged 32 years. She leaves a husband and two children, aged 1 and 7 years respectively.

Mrs. Ann Gallagher died at the residence of her daughter, Mrs. Catherine Rennie, on Main street last Monday morning, aged 83 years. Besides Mrs. Rennie, Mrs. Gallagher leaves one son, Thos. Gallagher of Merrill.

Miss Kate Rood, after nearly a year's absence in Germany, where she went to finish her musical education, returned home on Monday last. She arrived in New York about three weeks ago and since then had been visiting with friends in the east.

Augustus P. Jackson died at his home on Division street, last Wednesday evening. The deceased gentleman was born in Maine, Sept. 27th, 1833, and was therefore nearly 59 years of age. His wife, one son, Everett, and one daughter, Bessie, survive.

The death of Henry Hewett occurred on Wednesday, Sept. 14th, at the residence of his son, in this city. He was 58 years of age at the time of his death. He leaves his wife and four children, Mrs. Francis Benson of Stockton, Mrs. Nellie Tallmon of Minnesota, Wm. Hewett of this city, and Winfield of Stockton.

Ten Years Ago
Sept. 18, 1907

Allan J. Patch of this city, and Miss Ruth Stuart of Stoughton, were married at the home of the bride's parents last Wednesday. They will be at home in this city after November 3rd.

Otto F. Meyer, the Rosholt druggist, rode in from that village on his wheel yesterday morning, leaving there at 4:45 o'clock and reaching this city a few minutes before seven. The distance is twenty miles. Mr. Meyer transacted business here and returned in the afternoon.

August G. Green, well known business man and citizen, passed away at his home on Main street, Thursday morning. He was nearly 48 years of age. His widow, one sister, Mrs. J. F. Koshnick of this city, and two brothers, John Green of Berlin, and Anton Green of Ashland, are left to mourn.

Samuel W. Berry, a gentleman, who spent his boyhood days in the town of Plover, but who for the past twelve years has been in the south, was married in this city last Sunday afternoon to Mrs. Carrie E. Foster Jefferson, at the home of the bride's mother, Mrs. F. E. Merryfield, by Rev. F. A. Nimits.

Mrs. J. P. Malick, who had been at Bloomington, Neb., since the 25th of last March, where she went for the benefit of her health, died at that place Tuesday morning of last week. Minnie Bishop was born July 21, 1876, in the town of Amherst, and was therefore 31 years of age. Besides her husband, she leaves an infant son, born two weeks ago, her father, one sister and two brothers.

McDILL IS NOW MAJOR

Former Portage County Man Called To Active Duty With Medical Reserve Corps

Dr. John R. McDill of Milwaukee, one of Wisconsin's leading surgeons and son of Alexander S. McDill, a former congressman from this district, has been ordered into active duty with the medical reserve corps of the United States army.

Dr. McDill, who returned only a few months ago from Germany, where he was on the staff of an American hospital, has been given the title of major. His summons to report came from New York by long distance telephone and without previous warning.

Major McDill expects to sail for Europe at once, but to what duty he will be detailed has not been learned. The choice of Dr. McDill for the title of major was made in recognition of his long experience in military work. He served as an army surgeon in the Spanish-American war. While in Germany he cared for thousands of wounded and sick in the large army hospitals. On returning to this country after the outbreak of hostilities he traveled with Ambassador Gerard.

Dr. McDill has written a book of the progress made in the medical field in the handling of wounded from his experience abroad. The United States government will print 25,000 copies of the work.

Major McDill was a boyhood resident of Plover and a cousin of the late G. E. McDill of this city.

HART BUYS FARM

J. J. Hart of this city is now owner of the Thos. J. Brown farm of eighty acres in the town of Almond just north of the W. D. Kollock homestead and near St. Martin's Catholic church. Mr. Hart closed the deal a few days ago but he will not occupy the place for another year at least. It is now under lease to Jerome Russell, who owns an adjoining farm. Mr. Hart is a foreman in the Soo line yards and Mr. Brown has also been located in the city for several years as representative of the Standard Oil Co.

Whiting Plover Begins Work on Extension To System—To Greatly Increase Supply

Work on an extension of the spring water system of the Whiting-Plover Paper Co., calculated to increase by at least one-third the supply of spring water, has been begun at Whiting by a crew of thirty-five men. The extension may be completed this fall, but it is possible that it may be next year before the big job can be finished.

No paper mill in the United States has a water supply that can be compared, either in quality or quantity, with that of the Whiting-Plover Co. Its development has begun a few years ago and thousands of dollars have been expended upon it. With the new extension it is estimated that the supply will be between 1,500 and 2,000 gallons a minute, as compared to 1,000 gallons now.

The new development is being carried on in land east of the Soo line tracks, this property having been purchased several months ago by the company from the Sherman estate. Ditch tile is being laid from the reservoir alongside the track into the spring filled soil adjacent. Eventually it is the plan of the mill management to pump every pump in the mill and use only the spring water, not only in the making of paper but in the other departments.

The water is forced down from the reservoir to the mill, a distance of about a matter of a mile, under heavy pressure.

One of the amazing truths that has taken war to bring home to us is that an enormous number of Americans are so badly handicapped by weak or flat feet as to make them unfit for military service. In the navy, for instance, it is authoritatively stated that next to eye defects more applicants are turned down on account of weak feet than for any other single cause. Mind that these are men who wanted the privilege of entering the government service as a profession.

It may be safely assumed that even these rejects were far above the normal physically. They thought they were comparable to the fine physical specimens picked for the army and navy. How many thousands there must be who are kept from doing what they would ordinarily like to do by defects known to themselves!

Weak or flat feet are entirely preventable and in vast majority of instances they are entirely curable by simple measures: No barefoot race is ever weak footed. Savages may be normally flat footed, but this doesn't matter if the foot is strong and free from pain on prolonged use.

Obviously, when so large a proportion of shoe wearing people have weak feet, there must be something radically wrong with shoes. The fault, in many instances, lies in the lack of balance. The foot is thrown somewhat out of proper position and the result is a gradual stretching and breaking down of muscles and ligaments which shouldn't be stretched as they are. High, tightly laced shoes restrict normal motion and restricted motion will result in a weakening of muscles and a gradual breaking down of the arches.

Parents should be ready to fight shoe manufacturers and salesmen, if necessary, to get proper shoes for their children. Usually, however, it is difficult for the shoeman to furnish proper shoes, not because he isn't willing to, but because there are so many fool parents and other people that he is able to sell only the fool shapes.

If lack of exercises causes weakness, proper exercises should produce strength. They will. I have prepared a longer article on prevention and cure of moderate cases of weak feet which I forward to any interested Wisconsin citizen on receipt of stamped two-cent (2c) and self-addressed envelope.

Not Unreasonable

"Do you think any of the other girls in the graduating class are as pretty as I am?" she questioned. "No," she answered judiciously, "and I don't think one could assemble enough features from the entire crowd to make a girl as pretty as you are."

That satisfied her.

GUESS WHO THEY ARE

Reproduction of Pictures Printed in The Gazette Within Past Several Years.

Cut No. 94, the upper one of the three printed in this column last week, was made from a photograph taken many years ago, but all who know the gentleman easily recognized the features of Hon. Samuel A. Cook, of Neenah, one of Wisconsin's prominent manufacturers and who is even better known in Grand Army circles throughout the state and nation. Mr. Cook represented his district in congress for several terms and has also been a candidate for governor and United States senator.

The second picture is that of A. J. Plowman, a lumberman and stock raiser of Elderon, Marathon county, and who will be remembered by Eighth district voters as a candidate for congress a few years ago. Mr. Plowman exhibited a large herd of

thoroughbred stock at the Stevens Point fair in 1916.

The third picture represented W. H. Mylrea, former attorney general of Wisconsin and for many years a leading lawyer at Wausau. Mr. Mylrea died in his home town a few years ago.

The double-column cuts shown below will close this interesting feature in The Gazette and which has been published for thirty-three successive weeks. Because the pictures are the first ones of the series, we will relieve our readers' suspense by telling "who they are." The young people in the pictures just below are Mr. and Mrs. George W. Blanchard, now residents of Edgerton, where the gentleman practices law and is also interested in other business lines. His wife was Miss Helen Sherman, daughter of Mrs. E. A. Sherman of this city.

The other picture shows a fairly good likeness prior to his death some years ago of Benj. Burr, one of Stevens Point's prominent business men. He is the father of Emmons Burr of this city.

BEAD LAKE BUYS

Secures Bargain in Mill for Reducing Ore—Machinery Bought in Idaho

Chas. H. Curtis has returned from Newport, Wash., where he devoted several weeks to looking after the interests of the Bead Lake Mining Co., in which he owns a big block of stock. The company has just bought a mill for reducing the ore, getting a practically new plant at Wallace, Idaho, for \$12,500. The original cost of this mill was \$30,000 and it could not be duplicated at present values for less than \$50,000. Wallace is located only about one hundred miles from Newport, to which latter place the machinery will be shipped at once.

The Bead Lake mine, of which W. E. Allen, a former Stevens Point, is secretary, has immense quantities of iron, silver and copper ore in stock piles, while the amount yet unmined may reach into the millions of tons. Much of this is high grade but up to this time the lack of milling facilities has prevented the stockholders from receiving any returns on their investment.

No rain had fallen in the far western country since early in June and as a consequence crops are light throughout that section in all districts except the Palouse valley and on irrigated lands.

BIG TIMBER DEAL

Stevens Point People Interested in Sale of Property To Chicago Concern

The stockholders of the North Shore Spruce Co., a Wisconsin corporation whose headquarters is in Stevens Point and which owned nearly 9,000 acres of timber land in Cook county, Minnesota, at a meeting in this city last Thursday evening completed negotiations for the sale of its land and timber holdings to the Cornell Wood Products Co. of Chicago.

The deal was virtually closed several weeks before the meeting last Thursday. The property transferred is one of the largest tracts of standing spruce in the country and also contains much pine, balsam, cedar and tamarack. The Chicago concern has made it a part of its reserve supply of timber.

The North Shore Spruce Co. was organized nearly 20 years ago and the stockholders who figured in the deal were as follows: William G. Fordyce, Butternut; A. W. Sanborn, Ashland; R. A. Cook, B. B. Park, G. L. Rogers and the estate of the late G. W. Cate, Stevens Point.

AN APPRECIATED GIFT

Capt. M. J. Goodsell of the Stevens Point infantry company was a surprised and pleased man last Friday, when he opened a parcel post package to find it contained a comfort kit, the gift of two friends residing in Janesville, where he lived about six years ago. The kit consisted of a neat bag, in which were found a score or more of toilet effects and other articles that only the soldier in camp can fully appreciate. Soap, playing cards, court plaster, comb, mirror, tooth brush, tooth paste, drinking cup, envelopes, writing paper, pencil, towel, tube of vaseline, shoestrings, linen thread, cotton thread, card of buttons and paper of pins and needles were included. The gift was from Mrs. Carrie Belden and daughter, Miss Cora A. Belden, of Janesville.

HERE'S FIGHTING MAN

Chicagoan, Registered in Portage County, Says He Is Ready To Die For Country

"I'm ready to die for my country." Joe Wroblewski, 22, Chicago, who registered for army service in the town of Belmont, this county, says he is, and he's ready to prove it by going to Camp Grant at Rockford, Ill., any time he's called on.

Wroblewski, it will be remembered by readers of The Gazette, did not appear in Stevens Point for examination. He was in Chicago when the notification was sent out and after being refused examination there was without funds to come here. He then "shipped" out as a section laborer, and finally, by beating his way on freights and going hungry enroute, arrived here on August 29.

When he told his story to A. E. Bourn, secretary of the county exemption board, the latter sent him to a hotel and also gave him work at the fair grounds. After the fair another job was found for him, but Wroblewski mysteriously disappeared.

Just when Mr. Bourn was growing fearful that Wroblewski was "lost" again, he received a letter from him, written at Chicago under date of September 14.

In the letter, which was addressed to "Mrs. Bourn," Wroblewski said he returned to Chicago to save paying for his board. He also asked for a pass to Rockford. The trip to Chicago, he said, was accomplished by hardships, as it was "bitter cold on the freight train."

Mr. Bourn answered by notifying him that he is still on the waiting list and would be given instructions when his call came. "You must be ready to answer the call anytime I send for you, because if you do not appear when we are ready for you, you would be a deserter, and you know that the penalty for that offense is death in time of war," wrote the secretary of the board.

It is certain that Wroblewski would rather die a hero than a deserter and that, as he said, he will be ready whenever the board is ready.

He tried to get in the army some time ago, at Chicago, but was rejected on account of defective eyesight.

Miss Helen Hubbell of High School Faculty Returns From Long Journey Through the West

The Douglas County Citizen, published at Beaver Dam, obtained the following interesting bit of news in its September 11th issue of a 10,000 mile journey taken by Miss Helen Hubbell, the new assistant supervisor of domestic science in the Stevens Point High School.

Miss Helen Hubbell returned on Saturday night from a twelve weeks' auto-camping trip to the Pacific coast via the Yellowstone National Park and other points of special interest.

The party was composed of Mr. and Mrs. Fred A. Haughton, daughters Helen and Alice, son Allen, all of Toledo, O., and Miss Helen Hubbell of Beaver Dam, who is a cousin of the Haughton family. The start was made from Toledo, June 18th, in a Franklin car with "trailer" containing complete camping and cooking equipment. The famous Lincoln Highway was followed as far as Cheyenne, Wyo., then the picturesque "Yellowstone Highway" via Cody to the eastern entrance of the Park. Several days were spent in making the circuit of the Park, after which the journey was resumed by the northern exit at Gardiner and thence continued via Butte, Spokane, Seattle, Portland and San Francisco to Los Angeles, California.

At the latter city Miss Hubbell visited various former Beaver Dam people, and at Hemet, California, she also visited her uncle and aunt, Mr. and Mrs. E. N. Flanders.

Miss Hubbell and the Misses Haughton returned from Los Angeles by rail, owing to lack of time for further travel by motor car. Altogether they covered about 7,000 miles by rail during their 12 week trip.

Miss Hubbell returned with substantial gains in health, strength and weight. She left last night for Stevens Point, where she has accepted a position as teacher of home economics in the High School for the coming year.

SOCIAL HAPPENINGS of INTEREST

Edward C. Bliskey and Miss Ina Cole were married at the home of the bride's parents at Fond du Lac on Tuesday, Sept. 11. Mr. Bliskey, whose home is now at Waukesha, is a former Stevens Point resident and an engineer on the Soo line. He and his bride left on a western tour, after which they will live at Waukesha.

A series of parties was given at River Pines last week in honor of Miss Hanna Aulberg, head nurse at River Pines sanatorium, who left Saturday for Waupaca for a few days' visit before going to her home in Madison. Miss Aulberg has served her connection with the sanatorium and her successor is Miss Van Oss of Green Bay.

Vincent Jurgella and Miss Elizabeth Kruzicki were married at St. Peter's church at 8 o'clock Tuesday morning, Rev. S. A. Elbert performing the impressive ceremony in the presence of a large circle of friends. Miss Agnes Kruzicki, sister of Miss Elizabeth, was bridesmaid and Leo Kowalski served as best man. The maid of honor was Miss Mary Povaloski.

The bridal gown was a handsome creation of Georgette crepe over broad satin, with embroidered veil. She carried a shower bouquet of Easter lilies and lilies of the valley. The bridesmaid and maid of honor were dressed alike in white tulle and Georgette crepe and carried bouquet of white roses.

A reception was held during the afternoon and evening at the Kruzicki home, 504 Wadleigh street. The newly wedded pair left here last night for Milwaukee and Racine, to be gone a couple of weeks.

They will live for the present with the bride's mother, Mrs. John Kruzicki.

Vincent is a son of Mr. and Mrs. John Jurgella and fills a position as clerk in N. M. Urbanowski's grocery store. He is a fine young man and both he and his bride start out on life's journey together with the blessings of all who know them.

Matt Specht, one of the men who are to go from this county to Camp Grant, Rockford, Ill., this week, was the guest of honor at a dinner party at the home of Mr. and Mrs. Warren Carver, Briggs street, Tuesday evening. Eighteen couples were present.

Last Saturday marked the fifteenth anniversary of the marriage of Mr. and Mrs. N. M. Urbanowski and, though they had planned no observance of the happy event, their friends had, as was disclosed Sunday evening. Mr. and Mrs. Urbanowski motored to Grand Rapids Sunday morning for a visit at the home of his brother, Max, and returned in the evening about 6:30 o'clock. At about 8, while they were seated on the veranda, a group of ladies and gentlemen, fifteen couples in all, suddenly appeared and surrounded them. After Mr. and Mrs. Urbanowski had recovered from the surprise they invited their guests into the home, where jollity reigned supreme until midnight. Refreshments were served and Mr. and Mrs. Urbanowski were presented with a beautiful cut glass vase. Mr. Urbanowski and Miss Johanna Kujawa were married at St. Peter's church Sept. 15, 1902. Mr. Urbanowski is one of the city's leading business men, being the proprietor of a grocery store on the public square.

At the residence of Mr. and Mrs. C. Geisler, 648 Strong's avenue, at 8:30 o'clock last Friday evening, Sept. 14, their daughter, Florence was married to Guy M. Dulin of Milwaukee. Rev. R. J. McLandress of the Presbyterian church officiated. The wedding was a quiet home affair and the bride and groom left on an early morning train the next day for Milwaukee for a few days' stay before leaving on a trip east. They will go to Cleveland, Ohio, where Mr. Dulin will attend the national encampment of the United Spanish War Veterans as delegate from the Robley D. Evans Camp of Milwaukee. After the convention they will visit Buffalo, Niagara Falls and Toronto and return by way of Detroit. The return trip will be made partly by boat on Lakes Erie and Michigan. After October 15 Mr. and Mrs. Dulin will be at home to their friends in a newly built home which they have completely furnished at 498 39th avenue, Milwaukee.

The first meeting of the new year of the Woman's club, held at the library last Saturday afternoon, was the occasion for a large attendance of members, who were treated to a program of exceptional merit.

Mrs. Florence Whitney, president of the club, gave an interesting address, in which she recounted the activities of the club in the past in various civic movements and also mentioned some of the plans of the club for the future. This year the organization will turn its attention largely to patriotic work, and the members will contribute knitted articles of wearing apparel, towels and other material for the soldiers.

Mrs. Emmons Burr, Mrs. G. E. McDill, Mrs. D. J. Leahy and Mrs. J. W. Bird, all past presidents of the club, were on the program for five-minute talks, and all were present and responded except Mrs. Leahy, who contributed a paper which was read by Mrs. R. W. Fairchild. The ladies recited some of the history of the club, including its organization and achievements, and gave some valuable suggestions for its future success. Mrs. Bird suggested that the club observe a "Treasure and Trinket Day," at which time pieces of old jewelry could be contributed, melted and sold, the proceeds to go to the aviation department of the army. As a result an observance of this kind will be held some time in the future.

Mrs. Mary Dunagan, librarian at the library, gave a talk on the movement to provide libraries for sailors and soldiers, which is being handled by the Library War Council of Washington. She asked for the club's cooperation in this work, the first purpose of which is to raise a million dollars for establishing and maintaining libraries in the various camps.

A committee of club members was appointed to direct its attention to the improvement of Forest cemetery, those who will serve in this capacity being as follows: Mrs. D. J. Leahy, Miss Katharine Rood, Miss Julia Minnebeck, Mrs. T. H. Hanna, Mrs. W. W. Mitchell, Mrs. W. E. Kingsbury, Mrs. G. E. McDill, Mrs. J. L. Jensen, Mrs. Emmons Burr and Mrs. W. G. Bate.

Musical features of the program were piano duets by Mrs. James Blake and daughter, Miss Ethel Blake, and piano solos by Mrs. Luella Chapman Pierce.

The joint social meeting of the Stevens Point and Wausau divisions of the Order of Railway Conductors and their Auxiliaries, held in Stevens Point last Sunday afternoon, was an event that will be remembered with much pleasure by the members in attendance. The members of the local Auxiliary were hostesses at a dinner at 10:30 in Adams' hall. This was followed by a meeting of the O. R. C., during which the ladies were entertained informally at the home of Mrs. George Gemberling, 603 Strong's avenue. Late in the afternoon supper was served at the hall, members of the organizations being again present, and a program carried out, with Mrs. J. E. Fisher as toastmistress. J. M. Barton of Minneapolis, general chairman of the O. R. C., E. M. Renwick of Gladstone, Mich., chairman of the O. R. C. adjustment committee, J. O. Daniels, chief conductor of the Wausau O. R. C. division and others were called upon and gave short addresses. Mrs. Elmer Austin and N. J. Nadeau rendered vocal solos, Miss Lilian Rivers acting as accompanist for the former and Mrs. J. H. Eubanks for the latter. The guests from away were as follows: Mr. and Mrs. D. O. Daniels, Mr. and Mrs. J. E. Dexter, Mr. and Mrs. F. S. McCulloch, Mr. and Mrs. C. H. Randby, Mr. and Mrs. R. F. McCarthy, Mrs. Clara Rege, Mrs. R. P. Rawson, and Mr. and Mrs. Bert Rasmussen, Wausau; Mrs. John Ray, Abbotsford; Mr. and Mrs. G. A. Hennemel, Marshfield; Mr. and Mrs. J. P. Barton, Minneapolis, and E. M. Renwick, Gladstone, Mich.

Mr. and Mrs. E. P. Trautmann and daughter, Carol, and Mrs. Trautmann's mother and sister, Mrs. E. E. Gray and Miss Harriet Gray of Hollywood, Cal., went to Waupaca this morning to attend the wedding of Lester Gray, nephew of Mrs. Trautmann and older son of Mr. and Mrs.

Do You Want to Be a Success?

The autobiography of every successful man invariably tells how he earned and saved his first dollar.

There's no telling what the morrow will bring forth. It is the man with the ready cash that is prepared for a business opportunity.

Isn't it a fact that cash in the bank gingers you up? Doesn't it give you confidence?

See us about an account.

"The Bank That SERVICE Built"

It is reported that Premier Keren-sky of Russia has married. As if he didn't have enough trouble steering the ship of state through turbulent waters while a foreign foe strikes from without.

A proclamation of the state food administrator calls on the people of Wisconsin to observe one meatless and one wheatless day a week, the first Tuesday and the second Wednesday. It's a good suggestion in more ways than one. It would afford a change in diet and relieve some of the pressure on the family pocketbook as well as help in the nation's campaign for the conservation of wheat and meat. Portage county people would find it economical to follow the government's advice to substitute potatoes for wheat. At the same time they would thus be helping to cut down any surplus there may be in this staple and, in consequence, helping the farmers of Portage county to get a reasonable price for their potatoes. So you see there is a measure of economy, health and prosperity as well as national security in it.

DIES AT KANSAS CITY

Mrs. Ben P. Moran was called to Kansas City, Mo., last Saturday night by a message announcing the death of her mother, Mrs. Jane Hughes, who had been ailing for a couple of months. Mrs. Moran reached there early Monday morning in time for the funeral, which was held that day. Her sister, Mrs. Clyde Stewart, has come here from Reedsburg for a week or more.

ATTENDS BROTHER'S FUNERAL

A. J. Stimm, one of the dispatchers in the local Soo line offices, was called to Medford last week by the death of his brother, Howard Stimm, who died there on Friday and was buried Sunday afternoon. The deceased young man was thirty years of age and had suffered with Bright's disease two and a half years. He was unmarried. He is survived by his mother, Mrs. J. Stimm of Medford, two brothers, E. J. Stimm of this city and Franklin Stimm of Medford, and a sister, Mrs. C. L. Perkins of Medford. E. J. Stimm, who has returned to the city, hopes to rent a house here for himself and his mother, who is expected to come here to live.

ARE WORKING HARD

Dr. H. E. Robertson and Others in Medical Unit Busy in France

Work, work and more work is the program for the medical unit of the American expeditionary forces in France of which Major H. E. Robertson of Minneapolis is a member. In letters that have been forwarded to his brother, E. B. Robertson, of this city, Major Robertson gives some general information on the situation in France as he has seen it, but the wartime censorship forbids him writing all he would like to.

Major Robertson says his unit is well located and that he is kept busy all the time. There is much to learn, he said, and he expressed satisfaction at being in France early, as his work now will make him more useful when the United States is ready to take over its full burden on the firing line.

A letter to his wife, written in the form of a diary while Major Robertson was on board ship, gives some interesting personal details of ship life and, incidentally tells of some of the precautions taken to guard against submarine attacks. Even on the voyage across, Dr. Robertson and his companions were fully occupied, lessons in French and conferences on medical topics being regularly on the program. The doctors were also called upon to examine 350 soldiers on the ship as a measure to prevent the spread of infectious diseases.

At times the sea was very rough and the air decidedly cold, but aside from the usual attack of sea-sickness, Major Robertson made the trip without ill effects. At night the vessel was dark. All passengers were instructed in the use of life belts.

Major Robertson hinted at some excitement at sea, but the boat got safely past the danger zone and landed in England, as a cablegram from him announced.

Major Robertson, since arriving in France, has written that the Americans there are anxious to get reading matter and tobacco from home. Reading matter is passed around until it is worn out, he said.

Mrs. W. W. Wade is spending a couple of weeks at Deerwood, Minn.

TO MILWAUKEE CONVENTION

Five members of Anna Gordon Union, W. C. T. U., will attend the state convention in Milwaukee, which opens next Friday morning at Grand Avenue M. E. church. Those who plan on going from here tomorrow are Mrs. C. E. Van Hecke, one of the state officers; Mrs. Jennie Phelps, county president; Mrs. F. A. Shumway, Mrs. Geo. A. Whitney and Mrs. Leonard Rice. Mrs. Whitney is on the program for an address.

It is expected that an equally large delegation will go to Milwaukee to represent Stevens Point Union, the delegates or visitors comprising Mrs. Geo. A. Sutherland, Mrs. Ellen Sanford, Mrs. Ed. Francis, Mrs. L. Wolfe and Mrs. E. C. Foster.

Safety and Convenience

DO You know that nine-tenths of the business of the United States is done by means of some form of check? The reason for this is that the banking system of this country has been placed on such a Safe Basis that corporations and individuals have faith in it. The welfare of the banks depends in a large measure in maintaining this confidence. A checking account with this bank is an absolutely safe proposition. Your money is safer than it is in your own pocket and your check is good as your money in any business transaction. We shall be pleased to have you open a checking account with us. You will find your account to be a safety and convenience.

GETS SALARY RAISE

Miss Florabelle Rogers, teacher of first and second grade work at Westboro, visited last Saturday and Sunday with her parents, Dr. and Mrs. E. M. Rogers. That the young lady is "making good" as an instructor is attested by the fact that she has already been given an increase in salary of \$5.00 per month. Miss Rogers and Miss Katherine Garvin, who also teaches at Westboro, have pleasant

rooms at the home of Elmer Youmans, a former resident of Plover and brother of Mrs. N. A. Week of this city.

Mrs. E. J. Carley and daughters, Amy and Ina, went to Appleton last week for a few days' visit.

Mrs. O. Holmes went to Marshfield last week for a visit at the home of her daughter, Mrs. H. B. Huber. Mrs. Huber's husband is Soo line agent there.

ATHENA KNIT UNDERWEAR

Here are the features that give Athena its comfort, its daintiness and its tailored fit.

Sloping Shoulders and Sleeves
Conform to the shoulders without wrinkling under arms.

Perfect Shoulder Stay
Keeps garment from stretching across the shoulder, and holds sleeve in place.

Curved Armhole
Brings arm seams to the natural curve of the shoulder and holds garment snugly and smoothly up under arm, doing away with unnecessary cloth.

Three-Cornered Gaiter
Is so shaped as to relieve the usual strain at the thigh. Insures greater comfort and longer wear.

Low-Neck Sweater Suit
Just as a woman is fuller across the bust than the back, so this garment is made with extra fullness in front.

Patent Seat
This consists of a plait on each side of the back, instead of extra cloth in the middle where it causes discomfort. Always stays closed and allows sufficient room, sitting or standing.

Tailored they are, too, and richly becoming to the well-dressed woman who makes it a point to appear early in her autumn garment. She gets Full Measure of Value.

Our selection of Suits shows all the new Neutral Tones—Taupe, Havana Brown, Beet Root, Balsam Green, Navy and Pekin Blues.

Also Some New Dresses Just Unpacked

There's surely an air of distinction to the New Garments for Fall. You are invited to see them now and make your selection.

TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Stevens Point evidence—doubly proven.

Charles H. Curtis, 711 Church St., Stevens Point, says: "I suffered from pain in the small of my back and could hardly get around. It was all I could do to get out of bed and dress myself in the morning. I hardly knew what ailed me but finally concluded that my kidneys were weak. I got a box of Doan's Kidney Pills from Taylor Bros. Drug Store and they acted promptly in relieving me."

OVER FOUR YEARS LATER Mr. Curtis said: "I have taken Doan's Kidney Pills off and on since giving my former endorsement and have always found that they do their work satisfactorily."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Curtis has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

LAMBS BRING \$20 PER HEAD

Buena Vista Farmer Gets Big Price for Four-Months-Old Stock—62 Cents for Wool

For some unexplained reason there are comparatively few sheep raised on Portage county farms, in fact the sheep industry here has almost died out within late years. That it is a paying proposition this season is attested by Linus Sherman of Buena Vista, who recently sold twenty lambs for a total of \$392, or a fraction less than \$20 per head. These lambs were born last May and therefore the expense of raising them amounted to little or nothing in cash outlay for feed. Mr. Sherman also sold his shearing of wool a couple of weeks ago at 62 cents per pound. When it is taken into consideration that the average price of wool a few years ago was 12 to 18 cents per pound, it may readily be seen that growers now realize a handsome profit.

A Helpful Hint

NEWS AND VIEWS FROM HERE AND THERE

Free delivery of merchandise during the war period is very likely to become a thing of the past in New London within a short time.

Two men and four women, charged with selling liquor to soldiers were examined at La Crosse. United States Marshal O'Connor fixed bonds at \$2,500 for the women and \$5,000 for the men.

A resolution pledging support to President Wilson was adopted unanimously by the National Scandinavian Veterans' association of the Civil war and the Fifteenth Wisconsin infantry at Madison.

The United States Switch company, a \$1,750,000 company incorporated in Delaware, has decided to locate its manufacturing plant in Eau Claire, and will begin the manufacture of the Shepherd Automobile railway switch.

Lyle Duerkot, two year old son of Mr. and Mrs. Andrew Duerkot, living at Hallie, north of Eau Claire, is dead as the result of tipping a tub of boiling water over himself while his mother was washing clothes. He lived a day in terrible suffering.

Fred P. Downing, for the past six years chief inspector of weights and measures, has resigned his position with the state dairy and food department to accept a position with the bureau of weights and measures of the United States department of agriculture.

Wausau has secured a new industry, a factory for the manufacture of sanitary barn equipment. It is owned by the A. F. Klimm Co., which has for 12 years been located at New Holstein. A new factory, 50x150 feet, is being built at Wausau. The concern hopes to eventually employ 100 men and will start with 30.

Anthony Junker, of La Crosse, a subject of the kaiser, who failed to register on June 5th for the army draft and who also failed to make application under the government rule for aliens, was taken to the federal penitentiary at Atlanta, Ga., by United States Marshal, J. F. O'Connor. Junker will be interned at Atlanta during the period of the war.

If the war department is willing Wisconsin's second draft army will be composed entirely of volunteers. Governor Philipp wrote Secretary of War Baker asking permission to put in force the plan worked out by Adjutant-General Orlando Holway of the Wisconsin National guard. Approval by President Wilson and Secretary Baker is necessary before any steps can be taken.

Appleton Post:—In order to obtain pointers from the committee in charge of the Rayburn Evangelistic campaign now on in Ashland, L. A. Webster representing the Appleton committee, left for the northern city Friday. Mr. Webster expects to confer with the Ashland committee to obtain information relative to the preliminary organization and also to watch the Rev. Mr. Rayburn in action. Active preparations for the evangelist reception will be started immediately upon Mr. Webster's return.

A government contract for marine boilers amounting to \$750,000 was awarded to the DePere Manufacturing Co. The filling of the order will require a year. Additional help will be employed.

The bank of Shiocton, at Shiocton, was entered by yeggmen early last Thursday morning, the safe blown and \$7,000 in cash, more than \$1,000 in postage stamps and several thousand dollars worth of bonds, one a Stevens Point sewer bond for \$500 taken. The robbery was not discovered until the bank was opened for business several hours later.

Judge George W. Burnell on Saturday issued an injunction calling off the special election at Oshkosh Tuesday when the proposed increase from \$200 to \$800 in the local saloon license was to be voted on. It was averred in the application to enjoin the election of the 800 required signatures, many were those of traveling men, farmers living outside the city, and also minors.

The spinster "schoolmarm" has just scored a victory over her sister—the Married Woman. The board of education at Kenosha has ruled that married women, who have husbands to support them will not be employed as teachers in Kenosha's schools. It is understood the ruling will not in any way interfere with the employment of widows. The ruling will throw several teachers out of employment.

"The immoral show at the county fair is a thing of the past." This is the statement of Secretary of State Merlin Hull who has received detailed reports from inspectors at the fairs this year. He said that the county fair managements are insisting on a better quality of entertainment and because of the stringent law passed by the last legislature is seeing to it that the fair is maintained at a high standard.

More money was spent by private concerns in lobbyists' fees during the last session of the legislature than was spent by the state as salaries for members of the legislature. According to the statements of lobbyists on file with Secretary of State Merlin Hull there was paid to lobbyists during the past session for services \$90,545.96. Members of the legislature receive a salary of \$500 for the term, which for the 133 members of both houses would amount to \$66,500.

Although he is head of the Farmers' State bank at Pound, Marinette county, and an officer in the Light & Power company there, also manager of a general store and trustee of the village, Roy J. Brooks of Pound has been certified for service in the National army. His brother, Ansel A. Brooks, who operates a farm of 200 acres and assists in managing the general store, potato warehouse and so on, was excused. Both were held to service by the Marinette county exemption board.

A. J. Earling, president of the Milwaukee road, announced last week that H. E. Byram of the Chicago, Burlington & Quincy railroad, had been selected to succeed him. Mr. Earling became president of the Milwaukee road in 1899. He worked himself up in the railroad business from telegrapher, having entered the Milwaukee road in that capacity as a boy of 18. He was born in Richfield, Wis., Jan. 19, 1848. He rose by his own efforts, having had no schooling except that afforded by the district school of his time.

FARMING
BETTER FARMING-BETTER BUSINESS-BETTER LIVING

THE DREAD OF FIRE

"What would happen to us tonight, I wonder, if the house should take fire and burn down?"

How often this expression has escaped Mother's lips on a cold winter evening on the farm!

Rural homes left unprotected from fire are few and far between these days, in comparison to former years. While most of the country fires start from lightning strokes, there are plenty of them originating from defective chimneys, exploding lamps or the starting of morning fires with kerosene. At any rate, no matter where the fatal spark starts, the hazard is always present, and, without the protection of organized fire departments to combat it the chances for "total loss" are heavy.

How do Wisconsin farmers protect their premises from fire damage? As fall approaches this is a still more important question.

Lightning can be warded off by a properly installed system of rods. The cost of rodging can in many cases be offset by lower insurance rates.

Gasoline cans must be kept away from buildings. An electric lighting system properly installed in farm buildings eliminates much danger from lamps and lanterns carelessly handled.

A good supply of water under pressure is an additional safeguard to rural homes. A few chemical fire extinguishers placed on hooks in convenient places may be the means of stopping a bad blaze.

Smokers must be exceedingly watchful—careful farmers would hardly tolerate this practise around barns, any way, and good housewives bar the pipe and cigar users to the back steps where the danger is reduced.

BEWARE OF SPECULATORS

Shippers of grain, hay, and feed are advised by the Bureau of Markets,

recommended by superintendent.

Also request for additional help for kindergarten and High school was granted.

Moved and carried that the school board attend the meeting of the city council, Sept. 11th, in a body.

No other business appearing, meeting adjourned.

F. J. Blood, H. H. Pagel, Pres. Clerk.

WAY DOWN IN WEST VIRGINIA

Jesse White left for Fond du Lac last Sunday afternoon to visit a few hours among friends while enroute to Wheeling, West Virginia, where he has accepted a position as clerk in a piano store. Mr. White suffered a serious siege of sickness two or three years ago, from the effects of which he has not fully recovered, and one reason for accepting the West Virginia position is to secure the benefits of the bracing mountain air.

Wheeling is a city of 50,000 people and a big manufacturing center. It is located in the midst of an immense coal region.

United States Department of Agriculture

to be on the lookout for what is known as "shipper's order bill of lading" transactions with unknown or irresponsible persons. Shipping car lots to such buyers under no obligation other than to pay for the shipment if they finally take it out of the cars, tends to encourage speculation and is liable to increase freight congestion. Some of these buyers order products shipped in the hope that the price will go up in the meantime and enable them to sell locally to a local dealer who will pay cash. Unless they succeed in selling to others, many of these "shipper's order" consignees have insufficient capital to pay for the goods, which sometimes fall back on the shipper.

In a case recently investigated by the department a man without financial standing, who posed as a commercial company, succeeded in purchasing large shipments of hay and mill feed. As there was no advance in price and as he had no cash with which to meet the drafts, he held the goods for several weeks in the cars on the track. Some of the cars were on the track for over 20 days before unloading. When he succeeded in selling a car, instead of paying his own cash for it, he sent his customer to the bank to release the draft. The day the department investigator was on the ground this man had 13 cars of hay and 9 cars of mill feed on the track, papers for 17 more cars enroute, and a number more still to be shipped. It was stated locally that in the same kind of transaction in the past a severe decline in price rendered this individual unable to pay for 30 cars of produce, which the shipper was forced to sell at a material loss. The shippers in this case easily could have obtained facts as to their customer's responsibility from the mercantile agencies or from local banks or merchants.

LOCAL NEWS

The Wisconsin Valley Electric Co. of Wausau has a large crew of men stationed here, working on the new transmission line, the poles for which were shipped from Idaho. In time we look for the street car to run through here and connect us with Stevens Point and Wausau.

The friends of Jay Bell in this locality are pleased to hear that he has been promoted from lieutenant in the army to Captain. We would indeed be glad to see Captain Bell at some future time be promoted to general, which honor any of our boys who offer their lives for their country are worthy of.

The recent heavy frosts have made the farmers very busy people, filling silos, cutting corn, and all other fall work such as cutting second crop clover, seeding rye, etc. Anyone who thinks the farmer has it all sunshine is badly mistaken. Everything the farmer has to sell is bringing a high price, but labor is very high correspondingly and also very scarce, and without labor his crop suffers.

Art Kilp and August Leitz are the young men from Dancy who go in this week's call to serve their country. We wish them luck and hope for them a safe return. That the boys will all be greatly benefited by the training they will receive, there is no question, and they will be in touch with educational advantages, aside from the broadening in seeing different countries, etc. When the boys return they will be well equipped to face the world.

TO MEET AT AMHERST

Annual Convention of Portage County Potato Growers To Be Held In November

The second annual Portage county potato growers' convention and exhibit will be held at Amherst on Thursday, Nov. 8. At that time the display of Portage county tubers for the state convention and show, to be held this year at Madison, will be selected.

Last year the convention was held in Stevens Point, and, although bad weather cut down the attendance and a poor crop limited the exhibits, much interest was shown and an interesting program was carried out. At that time an exhibit was made up and sent to the state convention at Eau Claire, this having been the first time Portage county participated in the state meeting.

It is expected that the meeting to be held at Amherst will be a large one and that many growers will install exhibits. The potato crop this year is among the best ever harvested and the work of standardizing varieties of potatoes that has been carried on in the county for two or three years should begin to show results.

The formation of the Wisconsin Potato Growers' association, which has done so much to advance the industry in this state, took place in 1912. Since then a continuous campaign of education has been waged and as a result the bulk of the state's potato crop is now limited to six or eight established, tested and qualified sorts and many states have copied Wisconsin's system. That Portage county growers are taking an interest in the state association and its work is proof of their progressiveness.

SOLDIERS CAN VOTE

Soldiers and sailors from Wisconsin have the right to vote in the next state election, no matter where they may be, in the opinion of Gov. E. L. Philipp.

While it is not expected that men who are abroad can be afforded the opportunity to cast their ballots next spring or next fall, if they still are in foreign service, the governor believes that all voters from Wisconsin in military service will be enabled to vote.

He bases this statement on the action of the special session of the 1915 legislature which enacted a statute under which the then soldiers from Wisconsin in federal service on the Mexican border were given opportunity to vote. Under this law it was provided that a representative of the secretary of state's office should carry blank ballots to men in the field, the ballots to be voted and returned for an official count at the capital.

BUYS FARM OF 360 ACRES

Fred A. Warner, Former Resident of This County, Purchases Improved Property Near New Richmond

Mr. and Mrs. Fred A. Warner, their daughter, Miss Lillian, and two sons, Kermit and Harvey, arrived here in their Overland car from Shell Lake, last Sunday. The young lady is a senior student at the Normal and rooms at Prof. Delzell's home on Main street. Other members of the Warner family remained here until yesterday morning, when they started on the return trip. They encountered good roads all the way over here, a distance of 216 miles, except a stretch of about one-half mile between Owen and Abbotsford, which piece of highway is surely an abomination.

Mr. Warner moved to Washburn county from Almond some three years ago and has since been living upon a leased farm. Although in a poor state of fertility when he went there, the land now produces abundantly and the past couple of seasons have been good ones. There are four sons in the family, all of whom are good workers, and in order to give them better opportunities the father has just purchased a 360 acre farm eight miles from New Richmond and a mile from Cylon station, on the Soo line. Practically all the property is under cultivation. The family expect to move there in November.

JEWISH NEW YEAR

On Sunday evening Jewish people in all parts of the world celebrated their New Year's eve, and Monday, according to the Jewish calendar, began the year 5678.

The holiday opened the holy season of Jews of the world, which begins on Rosh Hashanah, New Year's day, and ends on Shemini Atzereth, the feast of the conclusion, which falls this year on October 8.

Special services were conducted at the Temple Beth Israel on Water street on Sunday, Monday and Tuesday, on which days members of the congregation suspended business in order to observe the holiday period.

PUBLIC LIBRARY NOTES

Saturday evening, Sept. 15th, the library board held a meeting, at which time the annual election of officers took place and other business matters were discussed. Those elected to fill the vacancies on the board were: Pres., Hon. B. B. Park; vice pres., W. F. Owen; secretary, Mrs. R. A. Cook; treasurer, J. W. Dunegan; book committee, J. W. Dunegan, Mrs. R. A. Cook and W. F. Owen; executive committee, Mrs. N. A. Week, Mrs. F. A. Krembs. The latter committee also includes the members of the book committee.

SELF RESTRAINT NECESSARY

Drafted Men Should Refrain From Rowdiness and Intemperance Says Citizen

Editor Gazette:
Stevens Point was on Thursday well come a lot of drafted men. Fine red blooded young Americans, chosen for their physical and mental fitness to be soldiers in the cause of democracy. They are "honor men" in every sense of the word and the city of Stevens Point feels that the opportunity to entertain them comes as a privilege rather than a duty. They are bent upon as lofty a mission as ever fell to the lot of soldiers of any country, and the response they have made to their country's summons is sufficient proof of their patriotism. It is perhaps unnecessary to remind them that, though in citizens' clothes, they are nonetheless in the service of the nation and that any breach in discipline now will react against them. It thereby becomes a duty to themselves, their families, their companions and the flag to conduct themselves as becomes gentlemen and soldiers, to refrain from intemperance and rowdiness and to do nothing that might cause themselves to be lowered in the estimation of the public. The government has placed a protection around the soldier in uniform by forbidding the selling or giving to him of intoxicating liquor, and the law is being rigidly enforced. To sell or give liquor to a drafted man not in uniform, is not a violation of the letter of the law, but nevertheless the act is legal only through a technicality. I believe to honor men who are to gather in Stevens Point tomorrow are possible of sufficient moral fibre to resist temptation. But there may be some who are weak and who, if given free rein, might bring disgrace to themselves that would reflect upon all. They must be assisted over the rough places, and it is the duty of their companions and the public in general to see that tomorrow's history-making gathering is not marred by any regrettable incident.
Respectfully yours,
A Citizen.

GETS ARMY COMMISSION

Dr. Harold Playman, son of Mr. and Mrs. Fred M. Playman of this city, is now a first lieutenant in the dental corps of the United States army, he having received his commission last week. Dr. Playman, who has been practicing dentistry at Appleton for the past year, was caught in the draft for the national army but had made application for appointment to the dental corps before the draft drawings were announced. He has not as yet received notice to report for duty.

LIBRARY WAR COUNCIL

Tuesday evening, Sept. 25th, at the public library club room, is the date of the lecture, "Books and Morals in Army Camp Life," by Miss Stearns, field lecturer for the Library war council of the A. L. A., appointed by the secretary of war, for the purpose of raising a fund for the establishment of libraries for the soldiers. It is for a worthy object and everyone should show their patriotism by being interested. A cordial invitation is extended to all to hear Miss Stearns lecture, which is entirely free.

ULE PASSES TEST

Harold Ule, who went to Chicago last week, successfully passed the examination for enlistment in the aviation corps of the United States army. He returned home Saturday, but expects soon to receive orders to report for training at one of the schools for aviators. The young man was the first Portage county registrant to be certified for service in the new national army and he has been selected to go with the second division Friday morning, to Rockford. He expects to go to the Illinois camp and undergo regular training there until his call comes from the aviation corps.

PROCLAMATION

Pursuant to the authority vested in him by the President of the United States, Herbert Hoover, National Food Administrator, has urged as a patriotic duty one Meatless Day and one Wheatless Day in each week as a means of conserving the food supply.

Owing to the very great shortage of wheat and meat, and the urgent necessity of conserving the present food supply and of creating a reserve supply for future needs the people of this Nation have been asked to make personal sacrifices. It is through their cooperation alone that the food administration can be successfully carried out.

Therefore, acting under the direction of Food Administrator Herbert Hoover, I, Magnus Swenson, Food Administrator for Wisconsin, hereby call upon and urgently request the citizens of this state to set aside Tuesday, September 18, 1917, and all Tuesdays thereafter during the period of the war as a meatless day. I ask that all hotels, restaurants and other eating places serve meatless meals upon that day and that this practice be followed in the homes of all patriotic citizens.

In order, further, that Wisconsin may do its share in the conservation of food I ask that Wednesday, September 19, 1917, and all Wednesdays thereafter during the period of the war be set aside as a wheatless day. I ask the people of Wisconsin to abstain from the use of bread and pastries made from wheat upon that day to the end that the wheat supply of the United States may be increased for the time when greater calls will be made upon it.

It was for this purpose that the people of Wisconsin were asked to sign the food pledge cards, but we have concluded to put the above plan into effect without waiting for a complete return of the food pledge cards. This proclamation made this fourteenth day of September, nineteen hundred and seventeen.

MAGNUS SWENSON,
Food Administrator for Wisconsin.

LIFE'S LABORS CLOSED

J. N. Bump Dies at Home in Appleton—Remains Brought Here for Burial Saturday Morning

Jesse N. Bump, whose dangerous illness at his home in Appleton was reported in The Gazette a few weeks ago, died at 8 o'clock last Thursday morning and the remains are now at rest in Forest cemetery, this city. Mr. Bump had been poorly for a couple of years, but he continued his duties as traveling representative for the Rawlins-Renney Co. until some three months ago, when the effects of Bright's disease had taken such a firm hold on his constitution that he was compelled to cease work. Because of his large physique and strong constitution, the family and friends did not give up hopes for recovery until quite lately. He suffered intensely at times but he bore his trials with sublime resignation.

Mr. Bump was a native of Almond township, Alleghany county, New York, where he was born 60 years ago the 13th of last May. When Jesse was six years of age the family came west to Almond, Portage county, and located on a tract of land. The father, Barnet Bump, developed a fine farm there and it continued as the family homestead until twenty years ago, when Jesse moved to Stevens Point. He lived here a period of eight years and then located at Appleton.

Jesse Bump and Miss Ledorna Lea were married at Almond on Dec. 12th, 1870, and they are the parents of four daughters, Mrs. James McGinley of Almond, Misses Bessie, Ethel and Arline of Appleton. The only other member of Mr. Bump's immediate family is one sister, Mrs. A. J. Empey of this city.

The now deceased gentleman affiliated with the I. O. O. F. at Almond many years ago and was later transferred to the lodge at Appleton. He also held membership in the Blaine tent of Maccabees and the local Beaver order, in both of which orders he carried insurance policies.

Funeral services were held at his late home last Friday evening. Rev. Leo Burrows of the Appleton Presbyterian church officiating. The remains were shipped here Saturday morning and taken to the home of his old neighbor, C. W. Brooks, on Strong's avenue, where Rev. R. J. McLandress offered prayers at 10 o'clock. The body was then laid to rest by Mr. Brooks, Mr. Empey, Albert, Frank, Fred and Ed. Lea, the latter five of whom are brothers-in-law of the deceased.

Included among the numerous relatives and friends who came from a distance were Mr. and Mrs. A. J. Lea, Mr. and Mrs. F. C. Lea of Plainfield, Mr. and Mrs. Fred W. Lea of Lanark, Mrs. Irving Albertie, of Buena Vista, Mr. and Mrs. Dan Olds of Wautoma, Wm. Wheeler of Waupaca, and the following from Almond: Mr. and Mrs. Wm. Smith, Hugo, Byron, Clyde and Jerome Adams, Mrs. Geo. Eaton, Mrs. Geo. Hetzel, Mrs. M. R. Hetzel, Albert Adams and Fred Young.

ACRE OF GLADIOLAS

Arthur Simonis, of the town of Amherst, one of the county's well known farmers, has what is undoubtedly the biggest "bed" of gladiolas in this section of the state. Mr. Simonis has under cultivation about an acre of these beautiful flowers. For several years he has been paying considerable attention to gladiolas and has made a substantial profit from the sale of bulbs, some of which are shipped to seed houses. However, Mr. Simonis is not entirely in the business for profit and finds much pleasure in giving the flowers to his friends. The floral decorations at the St. Stephen's church supper at Knights of Columbus hall last Wednesday evening were gladiolas from Mr. Simonis' field, which is declared by those who have seen it to be a most beautiful sight.

WINS EIGHTH PLACE

Earl Kjer, Amherst Junction Boy, Makes Good Showing in Big Contest At Milwaukee

Although Portage county didn't win the gold medal in the state spelling-arithmetic-pennmanship contest at the state fair in Milwaukee last week, its representative, Earl Kjer, made an excellent showing, standing eighth in a field of thirty-four boys and girls from many parts of the state.

Eleanore Kessler of Sauk county "topped the heap" in the contest, with a grand average of 87. She won first in arithmetic and second in pennmanship.

The contestants' expenses to the fair were paid by the fair and they were well entertained during their stay.

GOES TO SOUTH TO TEACH

J. A. Verson and daughter, Miss Dorothea, left for Chicago Tuesday afternoon, the gentleman to spend a few days there while Miss Dorothea will proceed south to Shreveport, La., and next Monday take up the new duties of teacher of history and English in the Shreveport High school. She is a graduate of Missouri university, class of 1917. The Louisiana city is the second largest in that state, with a population of 35,000, and is noted as a shipping point for lumber and cotton.

IN SIGNAL CORPS

Geo. Heil, now a member of the signal corps, U. S. army, with headquarters at Camp Perry, near Toledo, Ohio, visited last Monday with his grandmother, Mrs. C. Heil, and other local relatives. George enlisted at Columbus last May and has since been in training at Camp Perry. He was lately promoted to sergeant. Army life seems to agree with the young man and he looks "fit for a fight." Prior to entering the government service George was "star" reporter on one of the leading daily newspapers at Columbus.

MORE MEN SUMMONED BY EXEMPTION BOARD

130 Additional Portage County Registrants Notified To Appear For Examination

The third call for draft registrants, which was forecasted in The Gazette two weeks ago, was sent out by the Portage county board of exemption Tuesday. The call is for 130 additional men whose order numbers are from 519 to 648, inclusive, and they have been notified to report for physical examination at the court house in Stevens Point on Tuesday, Sept. 25, at 8 a. m.

Out of the 518 men previously examined by the board, 192 were certified to the district board for military service. The district board, however, has granted exemption to 27 of these on industrial grounds and certified back only 142 up to last evening. As the full quota of the county is 179, it is necessary to examine more men in order to make up the deficiency.

"Any claim for exemption or discharge," the notice points out, "must be made on forms which may be procured, or the form of which may be copied, at the office of the local board, and must be filed at the office of this local board on or before the seventh day after the date of posting this notice."

HAS FIVE HEADLINERS

Buena Vista Lecture Course Committee Announces Stellar Attractions for Coming Winter

The Buena Vista Community lecture course has arranged its schedule for the season of 1917-18, and wishes to announce to its old and new patrons that the course, as a whole, is better than ever and that you will get more for your money than ever before.

The management feels justly proud in being able to present the attractions it has secured for this season. Five numbers, and every one of them headliners, constitute the strongest and most attractive ensemble of artists that has ever been obtained at Buena Vista.

A brief summary of the different numbers and the order of their appearance reads as follows:

The Potter De Pew Trio in orchestra selections, violin and cello solos, and Miss Betty Potter, reader, who appeared last year with the Uterpian Players.

The Treble Clef Club that pleased so well has been billed for a re-appearance. This number features Miss Jessie Rae Taylor, character impersonator. Solos, duets and quartettes by the entire company. The company has an entire change of program and will give an evening of genuine enjoyment and relaxation.

The Chicago Male Quartet is, beyond doubt the best thing that has ever been offered in Buena Vista. Each member is an artist and it is certain that the Quartet will give a program that no one who plans to attend this course can afford to miss.

The Dvorak Trio, a company of young ladies, each one a talented musician, who have an extensive repertoire. The violin, cello and piano constitute the instrumentation. The Dvorak Trio is a musical treat.

M. H. Jackson, principal of the Wood County Training School and the traveler and popular lecturer, will complete the course. Prof. Jackson has a number of popular lectures, any of which will please. This number is sure of a packed house.

The seat sale for season tickets will be held at Union Hall on Saturday, Sept. 29th, at 1 o'clock p. m.

CLERK-CARRIER EXAM

An examination for clerk and carrier will be held at the postoffice in Stevens Point on October 13. The age limit is 18 to 45 years on the date of the examination. Married women will not be admitted to the examination, the announcement says. This prohibition, however, does not apply to women who are divorced, but they are eligible for appointment only as clerk. Applicants must be physically sound, and male applicants must be not less than 5 feet 4 inches in height in bare feet and weigh not less than 125 pounds without overcoat or hat. For application blanks and for full information relative to the examinations, qualifications, duties, salaries, vacations, promotions, etc., apply to R. C. Porter, secretary of the local examining board, at the postoffice.

YOUNG DENTIST EXPIRES

Dr. Alois Klein, Prominent Young Professional Man, Victim of Tuberculosis.

Dr. Alois Klein, one of Stevens Point's promising young men and graduate of Marquette University college of dentistry, Milwaukee, in June, 1916, died at the home of his parents, Mr. and Mrs. Frank Klein, 300 N. Second street, at 4:45 o'clock last Thursday morning.

Following his graduation from Marquette Dr. Klein established an office in the Rothman block in this city and was developing an excellent practice when, but four months later, he was forced to give up on account of failing health. His trouble was diagnosed as tuberculosis and though everything possible was done to counteract the dreaded disease he steadily declined. He was confined to his bed since last spring.

Dr. Klein was 28 years of age, having been born in German Poland on April 19, 1889. In 1900 he accompanied his parents and others of the family to this country and the family home has since been in this city. For a few years Alois attended St. Peter's parochial school and the Grant public school, following which he enrolled at the Normal, from which he was graduated in 1911. The succeeding year he taught at Junction City and in the fall of 1912 entered Marquette.

Alois was a young man of exceptional ability, as his record in school work showed. He mastered the English language in an unusually short time after coming to this country and advanced with marked rapidity. Ambitious, strong of character and highly regarded among his acquaintances, his death removes a young man, who had lived, would undoubtedly have filled an increasingly useful sphere in the life of the city.

Besides his parents Dr. Klein leaves two sisters and two brothers, Mrs. Ed Leterski, Miss Johanna Klein, Frank Klein, Jr., and Anton Klein, all of this city.

The funeral was held Saturday morning from St. Peter's Catholic church, Rev. S. A. Elbert officiating. Interment was in Guardian Angels' cemetery. The pall bearers were Robert Kostka, Vincent Drurdzella, Leo Kowalski, John Leterski, Theo. Wlodarski and Frank Wozzalla.

THANKS ARE EXTENDED

Anthony Lally desires to extend his heartfelt thanks to the many kind friends who by their acts and other tokens of sympathy so greatly aided him during the long illness and after the death of his beloved wife.

Chester P. Gross, son of Mr. and Mrs. Victor Gross of this city, has resigned his position as manager of the municipal electric and water systems at Grand Rapids and will soon leave for Nebraska City, Neb., with his family. Mr. Gross has accepted the management of the water, gas and electric systems in the Nebraska city, a tempting offer having been made him. The Grand Rapids Leader speaks highly of his services in that city.

A. C. Gasmann, one of Portage county's pioneer residents, came over from Amherst last Saturday and mingled among local friends a few hours. He also endeavored to find some of the landmarks of the early 70's, but a walk about town convinced him that Stevens Point has changed greatly since that time. When Mr. Gasmann first came here from the east, this hamlet was just a struggling village, with a few business places located near the west end of Main street.

Mr. and Mrs. T. E. McPhail have been visiting at Waukesha.

Alf Anderson went to Chicago the last of the week on a business trip.

Miss Grace Hall of Minneapolis has been visiting at the home of Mr. and Mrs. O. C. Moe on Clark street.

Mr. and Mrs. Henry Hegg, who visited at the home of J. E. Hegg, Main street, returned to Beloit the last of the week.

Mr. and Mrs. A. Klug went to Madison the last of the week for a visit among relatives, some of whom came from other cities.

Mrs. Frank Waldher and son, Norbert, left Tuesday on a trip to Milwaukee and Fond du Lac, to be gone a couple of weeks.

Mrs. William Gee has returned home from Eau Claire, where she visited Mr. and Mrs. Bert Previle, former Stevens Point residents.

M. O'Keefe and son, Leonard, of Arnot, were among the Portage county residents who attended the state fair at Milwaukee last week.

Miss Rena Frederickson returned to Junction City Tuesday morning after having visited since last Friday at the home of Mrs. William Hanson.

Mr. and Mrs. George Beamsley of Lake Geneva were in the city Tuesday while on their way to Plainfield, where they are visiting at the home of W. J. Smith.

Mrs. A. C. Mabie, who had been visiting at the homes of her cousin and uncle, William Mulkins and Ira Barker, for three weeks, departed Tuesday on her return to Newport, Wash., her home.

Mrs. George W. Blanchard and son George of Edgerton are guests at the home of her mother, Mrs. E. A. Sherman, Clark street. Mr. Blanchard was also her, but has returned to Edgerton.

Neil, son of Mr. and Mrs. B. A. Johnson of this city, is a patient at the Marshfield hospital, where he underwent an operation for adenoids. His parents accompanied him to that institution.

Miss Lillian McCallum spent Sunday with friends at Menasha. Miss McCallum had been employed in the Hardware insurance Co. office during the summer, but has re-entered the Normal this week.

Mrs. J. J. Tardiff, who had been visiting relatives and friends in the old home town for several weeks, left Monday for a few days' visit at Minneapolis, after which she will return to her home in McMinnville, Oregon.

Mrs. L. F. Warner departed last Friday for Billings, Mont., for a visit with her son, Clinton. Her brother, Robert Simons, together with his wife and child, of St. Cloud, Minn., accompanied her to the western state, going to Livingston.

Miss Ella Meyer, who had been spending a week's vacation at Nekeosa and in this city, returned to her home in Menasha last Monday night.

F. E. Baker of Chicago is spending the week in the city, a guest of his mother, Mrs. J. L. Ballou.

Edward Mach, familiarly known as "Judge" during his student days at the Stevens Point Normal a few years ago, is now located at Detroit, where he is engaged in Y. M. C. A. work. Ed. was instructor in civics at the Appleton High school last year.

Mrs. J. H. Smith and Mrs. C. H. Packard left Tuesday morning for Eau Claire to visit for a few days at the home of L. G. Zimmer and also to attend the Northern Wisconsin state fair at Chippewa Falls. Mrs. Smith is a sister of Mrs. Packard, from Wyoming, and has been visiting here for about three weeks.

Frank L. Keenan left Monday for Kansas City, Mo., for a visit with his brother, Leo, who expects to leave soon for France with a field artillery unit of the Missouri National Guard, with which he is a sergeant. Mrs. Keenan and little son are visiting relatives at Mellen during Mr. Keenan's absence in the south.

David Giss, proprietor of the Stevens Point Cleaning & Dye Works, returned home Saturday night from Chicago, where he had been since August 24 receiving treatment for rheumatism, which had caused him much pain and inconvenience for several months. An X-ray examination of his mouth finally disclosed the fact that the trouble was due almost entirely to defective teeth. Six of the teeth were thereupon extracted and Mr. Giss is steadily recovering his health.

The Copper-Clad Cabinet Range

LOOKS BEST
COOKS BEST
AND CLEANS
LIKE A DISK

The Copper-Clad is a Plain Range. It is smooth like a dish. It has no rivet and bolt heads on the nickel. It has no hinges, catches or latches on the outside. They are all inside like an automobile body.

The ebonized iron is framed with a silver nickel, making it the most beautiful range in the world. The ebonized iron never cracks, peels or discolors. It wipes clean like a dish.

The best thing about a Copper-Clad is that it outlasts any range, because lined with pure sheet copper where other ranges rust out. Between the sweaty asbestos and range body or outer casing is a sheet of copper that keeps the body perfectly dry and free of internal rust.

No other range has this feature. Some plate the inside linings—next to the heat, but that can not stop the sweat. It's got to be between the asbestos and body.

If the Copper isn't between the Sweaty Asbestos and Outer casing it is NOT a Copper-Clad.

AGED LADY DIES

Mrs. Victoria Omernik, Aged Ninety-three, Passes Away at Polonia Sunday

Mrs. Victoria Omernik, one of the county's oldest residents, died at Polonia Sunday afternoon at the age of 93. Death was a result of infirmities incident to her advanced age.

Mrs. Omernik, who was a native of German Poland, had lived in this country many years and was highly esteemed in her home community. She leaves eight children, two of whom are in the sisterhood and located at Detroit. The other children are J. J. Omernik, Polonia; Mrs. Margaret Shemanski, city; Nicholas Omernik, Amherst Junction; Mrs. Elizabeth Woyak and Frank Omernik, town of Sharon, and Anton Omernik, Gaslyn, Burnett county.

The funeral was held from Sacred Heart church at Polonia Tuesday morning, Rev. L. J. Pescinski officiating.

LIKE THE ARMY LIFE

Reports of the most favorable character are being received from the nine Portage county young men who went to Camp Grant, Rockford, Ill., ten days ago to begin training with the new national army. The boys say they are receiving the best of food and care, that they received a full outfit of clothing upon their arrival there, and that conditions in every way are much to their liking. Romulus C. Berens, one of their number, was instructed by his captain to have his barbers' tools sent to camp, from this city, and a card since received from him was to the effect that he was to "open for business" this week. The regular barber rates in camp are 5 cents for shaving and 15 cents for hair cutting, but usually the patrons are more generous. "Romie" is privileged to retain the proceeds, but he has announced his intention of dividing "50-50" with the company mess fund.

EXPIRES IN DENVER

Death Overtakes Otto B. Joerns, Stevens Point Manufacturer, in Colorado City

Otto B. Joerns, secretary of the Joerns Brothers Furniture Co. of Stevens Point, former mayor of Sheboygan and a man well known in business and political circles in the middle west, died at Denver, Colorado, last Saturday afternoon.

Mr. Joerns moved to Stevens Point with his family a few months ago, following the consolidation of the Joerns Brothers' Manufacturing Co. and the Cope Furniture Co. Although the condition of his health did not permit him to take active charge of the manufacturing end of the business, as he had hoped, he continued to devote more or less time to the affairs of the concern until a week ago Monday, when he went to Denver for treatment at a sanitarium. His death, which was the result of hardening of the arteries, was a sorrowful surprise to his friends here and elsewhere, who were unaware of the seriousness of his condition.

The body, accompanied by his son, Oliver Joerns of St. Paul, who accompanied his father to Denver and was with him at the end, was brought to Plymouth, Sheboygan county. The funeral will be held Thursday afternoon, Bishop R. H. Weller of Fond du Lac will conduct Episcopal services at the old farm home of the family at Winoski, town of Lynden, Sheboygan county, and members of the Blue Lodge of Masons of Sheboygan will have charge of the services at the grave. A Knights Templar escort will also attend.

Mr. Joerns was born in the town of Lynden 33 years ago last March 13. He attended the district school near his home until 15 years of age, and then entered the Plymouth High school, from which he was graduated in 1882. Subsequently he took a course in civil engineering at Valparaiso, Indiana. He later taught for three years and still later followed the occupation of civil engineer and surveyor in his home county. In 1903 he became associated with his brothers in the furniture business and took charge of the company's plant at Sheboygan, of which he was factory manager when it was destroyed by fire last February.

Mr. Joerns was a staunch Democrat and in 1910 was elected assemblyman from the first district of Sheboygan county, an office he filled for one term. He was mayor of Sheboygan for one term preceding last spring, and held various other offices of trust in that city, including that of treasurer of the board of education, member of the fire and police commission, member of the city water commission and county surveyor.

Mr. Joerns was a progressive type of citizen and one in whom public confidence was justly bestowed. His ability as a manufacturer was widely recognized and his skill as an organizer was attested to by the loyalty of his employees, in whose welfare he manifested an interest that was exceptional even in this period of closer relationship between capital and labor. His death is an economic loss as well as a sad blow to relatives and acquaintances.

Surviving Mr. Joerns are his widow and four children, Oliver Joerns of St. Paul, Miss Helen Joerns, who is a member of the local high school faculty, Miss Corabelle Joerns of Fort Wayne, Ind., and Miss Stella Joerns, city. He also leaves three brothers and six sisters, C. A. Joerns, city; Fred and Paul Joerns, St. Paul; the Misses Helen and Bertha Joerns, Chicago; Mrs. George W. Ferguson, Minneapolis; Mrs. Mary Neumann, St. Paul; Mrs. Henry Schwalbe, Orange, Va., and Miss Martha Joerns, Brookings, S. D.

Mrs. Joerns and daughter, Miss Helen, left Tuesday afternoon for Plymouth. Mr. and Mrs. C. A. Joerns, the Misses Corabelle and Stella Joerns and Roy Weiss left for that place this morning, by automobile.

KISSELCAR AND HUDSON

Myron J. Breitenstein is now local agent for the Kisselcar and Hudson makes of automobiles and has established headquarters at the Auto Sales garage. Mr. Breitenstein has had a Hudson "super six" machine, 1918 model, here for some time and last Friday drove up from Milwaukee with a Kisselcar, six cylinder, five passenger, 1918 model.

NOW TRAVELING SALESMAN

John L. Frymark attended the state fair in Milwaukee last week and visited among friends there a few days. Mr. Frymark has retired from the barber business, having leased his shop in the Glinki building basement to Anton Esker, and is now employed as salesman for the Guarantee Hardware Co. He will sell sewing machines and other household utensils throughout the county.

HE WAS REGISTERED

The fact that William Kelly, 30, was unable to produce his registration card when so requested by Marshal Jensen, resulted in his arrest at Amherst Monday afternoon, on suspicion of being a slacker. Mr. Jensen at once notified Secretary A. E. Bourn of the county exemption board. Tuesday morning Sheriff Kubisiak went to Amherst to bring Kelly to this city. Kelly claimed to have registered in Langlade county, but due to a mistake in transmitting his name over the wire Monday his story appeared to be fictitious. Further inquiry at Antigo, however, resulted in his statements being verified and he was released Tuesday afternoon. It seemed that he was working in a logging camp in the town of Summit, Langlade county, and was registered by his foreman, who did not give him the "receipt." He is now employed in a farm near Amherst.

DAM NOW SURE THING

Preliminary Work Nearly Completed For Development of Jackson Mill Waterpower

Development of the Jackson Milling Co. waterpower in Stevens Point, is now assured. The preliminary work has been practically completed, including the acquisition of flowage rights along the Wisconsin river in the city and the town of Hull. W. E. Uhl, the local contractor, who has supervised the construction of some of the biggest dams in the state, will probably have charge of the construction work.

On Tuesday a quantity of lumber was delivered at the site and today Mr. Uhl started the erection of an office building and tool shed. By next Monday, it is expected, a crew of 35 men will be at work.

While it is impossible to start actual construction at this time, the owners of the waterpower, I. P. Witter and George W. Mead of Grand Rapids and D. R. Mead of Rockford, Ill., plan to get everything in readiness for an early start in the spring. By the fall of 1918, it is hoped, the entire job will be completed, and it is predicted that there will be no more modern dam and hydro-electric plant on the Wisconsin river.

The improvement contemplated will involve an expenditure of several hundred thousand dollars. The dam will be of concrete and steel, with sixteen electrically operated gates. On the east side of the river, at the end of the dam, a huge hydro-electric plant will be erected, from which power will be transmitted to the Jackson mill, owned by the Mead and Witter interests, and to the Wisconsin Valley Electric Co., which contracted some time ago for the surplus current. There will be a long concrete spillway on the west side of the river, extending up onto the present bank of the stream, and a retaining wall will lead from the hydro-electric plant to the Jackson mill on the east bank.

Present conditions are so unsettled that it is impossible to predict anything further in the line of industrial development here as a result of the construction of the new dam and power house. It is hoped, however, that a pulp mill or perhaps a paper mill will be erected.

The Civic & Commerce association some time ago consented to lend its assistance in the preliminary work undertaken and this is nearly finished, to the satisfaction, it is believed, of Messrs. Mead and Witter. Much time and no small amount of money was expended by the association and its individual members in this work, the fruits of which are now apparent.

D. R. Mead of Rockford, Ill., attended to business interests in Stevens Point and Amherst Monday and Tuesday and expects to be here a considerable portion of his time from now on. He recently disposed of a large store at Rockford and eventually will move his family to this city.

PIONEER LADY CALLED

Mrs. Anthony Lally, Resident Here Over Forty Years, Dies After Long Illness

The death of Mrs. Anthony Lally at her home on Briggs street at 5 o'clock last Friday afternoon removes another pioneer resident of Portage county, one who had lived here since girlhood and was always regarded with love and respect by everyone who knew her. Mrs. Lally suffered for a period of sixteen months and since the first part of January was confined to her bed continuously. Early in May, 1916, she received a stroke of paralysis and the following August the lady was again similarly affected, rendering her helpless for a few weeks. The latter part of last year she gradually became weaker and for eight months required constant care and attention, which was lovingly bestowed by her husband and his cousin, Miss Mary Lennon, who was summoned here from Minnesota shortly after Mrs. Lally was first taken ill.

The third and fatal stroke came two weeks ago last night and from that time until her dissolution she was in an unconscious condition.

Mary Morrissey was born in Winchendon, Mass., Jan. 1st, 1851, making her upwards of 66 years of age. The family came to Wisconsin some fourteen years later, locating at Spring Lake, near Berlin. They moved to Stevens Point in 1874 and on the 2nd of September of the following year the young lady was married at St. Stephen's church to Anthony Lally.

Shortly afterwards Mr. Lally bought a tract of land in Stockton township, where he and his wife lived continuously for thirty-nine years. Selling the property in 1914, they again became residents of this city and since occupied a comfortable home which they purchased at 603 Briggs street.

Besides the sorrowing husband, the deceased lady leaves one brother, John Morrissey of Neshkoro, and three sisters, Mrs. Wm. Leary of this city, Mrs. John Meehan of Spokane, Wash., and Mrs. Simon Gernon of Neshkoro. All were present at the funeral except Mrs. Meehan.

Other relatives and friends who attended from a distance were Martin Lally of Rhinelander, Mrs. Stewart Lindsay of Plymouth, Jerry O'Connor of Minneapolis, Margaret, Mary and Irene Morrissey of Neshkoro, Mr. and Mrs. James Eagen and son and Mr. Raisen of Spring Lake, Mr. and Mrs. Jas. P. Dineen of Amherst Junction and a large number of former neighbors from Stockton, Sharon and other portions of the county.

Burial services were conducted by Father Rice at St. Stephen's church last Monday morning at 10 o'clock, with interment in the parish cemetery. Those who served as pallbearers were John Leahy, M. Cassidy, Jos. E. Leonard, N. Ossowski, Jas. Welch and Jerry O'Connor, the latter being general roadmaster for the Soo line, with headquarters at Minneapolis.
